2. Each member must sign a Release and Waiver Agreement Form (part of the membership application).
3. All novice members are required to row with another member or row when there are other crew personnel on the water. Rowers under 18 years of age must be with a coach.
4. It is requested that advanced members also follow rule #3 above.
5. All members shall sign the log prior to leaving the dock. The log is found in the club mailbox located on the left side of the boathouse.
6. When the water has white caps, the equipment is not to be used. Use good judgment as to when the water is rowable. Large waves make for an unpleasant row.

8. Paying members are allowed to use the club-owned equipment for which they have been approved and have access to coaching facilitated by the club. The Masters Captain will determine the rowing proficiency of each Masters rower and will approve each member for the different classifications of club-owned boats: Beginner, Intermediate and/or Advanced. Guests may row only twice per calendar quarter. Guests are welcome to attend the club's social functions.
